Neighbourhoods Service**

Your furniture choice

**Affordable furniture packages
to help you in your new home**

Your furniture choice

How it works >

The furnished service enables you to choose a furniture package, individually suited to your needs.

- 1 Choose one of the furniture packages below:

| Package type | Total points value |
|--------------|--------------------|
| Gold | 20 Points |
| Silver | 15 points |
| Bronze | 10 points |

Please consult with your neighbourhood officer, ask a member of staff or check our website for latest prices.

Simply **select the items** of furniture you need. Each item of furniture has a points value. Add up the total value of your furniture (number of points) to find out which package is suitable for you.

- 2 Please **enter your furniture choices** and preferred package using the form enclosed.

Initially this service will be available to new customers only. If you have any questions please contact the Furnished Accommodation Service on **0114 293 0000**.

Furniture choices will be delivered where stock permits, however we may provide a temporary item if there is no stock available at the time of application. Eligibility for washing machines and fridge freezers are subject to existing available space and plumbing services in the property.
